## Busy - Busy!

Are you ever busy?

Maybe you're tied up with chores around the house, or the boss has you load-  
ed down with work at the office. Maybe you are the boss and have your hands  
full with employees and business decisions.

When you're busy, do you still find time to think about God? Or does it take a  
figurative 2x4 between the eyes to get you to slow down and take a breath?

This summer has been busy-busy for me. Work, which has been fairly slow,  
suddenly picked up. Having kids home from school has added an extra layer  
of busyness to most of my days. All this and more, and then it hits me - I  
haven't thought about what God has done for me today. I've been so intensely  
focused on the activities of my daily life, that I've forgotten the one who made  
me, and it's a painful realization when I've been so busy that I can't stop and  
say thank-you to the Creator of all.

BUT, once I take a moment to breathe and meditate on Him, it's wave of  
peace and calmness that can't compete with the world's busy-busy, and I  
wonder: why don't I do this more often?

Take a moment out of your busy-busy and thank God for all He has done.

Ken Sommerville
