From our Spiritual Director, Rev. Dr. Ann Hagmann:

Recently I was reminded of the importance of *intentionality*. As Christians and human it is easy to get caught up in reacting and responding to life and the events around us. Part of being made in the image of God is the freedom and responsibility of the *power of choice*. As we move toward Summer, I would encourage all of us to be intentional about the choices we make with our time, energy, and money. They do make a difference now and for the rest of time. Hope to see you at our Gatherings. DeColores! Ann
